UNIVERSITY CLUB FOR LADIES,

4, GEORGE STREET,

HANOVER SQUARE, W.

Feb 16.

to Mrs Miss Palliser,

failing you we

were very glad to get your

letter this afternoon. We want

to work in close connection

with your Society if we may;

while, at the same time, we

think that University Women

can best be tackled by

University women, ^{as such}. It is

going to be a great business,
I will take time.

Mrs Frank Chesterton is hoping
to see you shortly & consult
you on some points.

Many thanks for your
suggestions about London.

Yours sincerely,

Edith M. S. Mason.
