THE VICARAGE,
ASHBY ST LEDGERS,
RUGBY.

November 30.

Dear Mr. Roberts,

It is an excellent
paper. That I wish
that the women would
concentrate on the
Prophetic Office. They
will never get the
Sacred text - names,
but by its history &
its genius, Priesthood

(which is Jewish or Christian)
is male: also (which
is more important) the
Priority office "must decrease"
while the "Publicity" will
increase". Therefore don't
pursue the matter; when
the relations are bound to
fall into your hands, & that
before long.

Your sincerely

A. F. F. F.
