Dear Mr. Vaughan

Thank you for your  
note & please accept  
my sympathy in the  
death of your brother.

I went to the h.s.d.  
at the end of July and  
missed the papers.

I never met him but  
we corresponded. I  
felt he was a friend

Of course you can  
keep my son's flowers  
of the Downs. He has

just been promoted  
to be a Captain - the  
youngest in the Navy  
I am told.

All his spare time  
goes into painting  
flowers

Yours sincerely

Katharine
