Dear Miss Fielden.

I was yesterday at the N.A.S.E.C. office
at a very active show and had in all the
arrangements for Thursday's fête. So I am just sending
you a few lines of very cordial thanks. Every thing
was so beautifully arranged that there was no

hitch anywhere and I feel quite overwhelmed by all
the kindness & love which was showered upon me.

I would if you would like to keep ^{the} little
sheaf of photographs as a memento of the occasion. If

you would, please accept them. I will send them in a ^{few} days.

Again thanking you for very sincerely
M. S. Jewett
