Dear Miss Strachey,

If you think it is
any good giving away
handbills & leaflets out-
side teachers' classes, the
enclosed handbook may
be of use. I have marked
the classes best attended
as far as I remember. There

Ans
30.10.12.

may be a difficulty about
the "Historic Buildings" p 23
as hand bills may not be
given away in the City.

I think the attendance at
Dr^r Pember Reeves^{p 24} is not
very large, but you might
get hold of a set of teachers
(domestic subjects) who wd.
not be going to other classes.
I have disposed of about

handbills
500 ~~leaflets~~ outside the
Sidney Webbs.

Yours very sincerely
Philippa Fawcett.
