DAME MILLICENT FAWCETT, G.B.E., 2, Gower Street, London, W.C. 1.

So many thanks for your kind note. I am  
really rather glad that you intention of seeing  
me so into B.P. was frustrated for it was  
very wet & very cold. My friend Mr Jones  
kindly lent me his car: and the whole thing  
was quite an interesting & picturesque experience.  
We went out into different parts in accordance with our  
rank in the official hierarchy. I must tell you all about it.
