Dear Sir

I must beg  
you not to print  
any copies of the  
Portrait you have  
sent me as I consider  
it very unlike me.

The proprietors of  
the Sporting &  
Dramatic News  
have an excellent  
portrait of me and  
I have no doubt that  
they would lend you  
the plate for your

Purpose.

Believe me

Yours faithfully  
Mary Davis
