My dear Philippa,

I have a suggestion to make
which may be of use to you ^{concerning}
Maryjny.

Mrs. Cort has been able to communicate
with her German relatives in
Frankfort by means of letters
sent via friends in Sweden.

If you know Maryjny's
address, send a letter enclosed in

one to a friend in Sweden &
ask that friend to add the
appropriate stamps & post it
to Germany. The answer to
come by the same means. You
can get at my post office
international coupons to pay
postage. If you don't know

any Swedes I am sure I can
produce some addresses of people
who would be glad to help you.

Those nice Beckmans who
were here with the U.S. men
International U.S. Alliance
in Nov 1912 for instance,
Yours affectionately
M G Dewitt
