Dear Miss Hancock,

In answer to your kind  
letter and invitation of the  
21<sup>st</sup> inst - I live altogether in  
Ireland, so I fear I shall not  
be able to help in your  
advisory committee. But, as an old  
Suffragist, if you wish I shall  
be very glad for my name  
to appear. March seems a  
long way off, and I cannot  
count upon time now. Were it  
possible I should like to be

last (as, no doubt it will be)  
United Demonstration

Yours Sincerely

C. Dupont
