42 Beesborough Gardens
Pindico, April 14/69

My Dear Sir,

I entirely agree with all the sentiments contained in your letter. If you read a detailed report of my speech, you will find that I propose to allow anyone who is physically qualified to obtain a nomination. The principle ought to be a fair stage & no favour.

I trust you will present my
compliments to your son;

Believe me to be, my dear Sir,

Yours very truly,

Henry Sawcett,

Charles Day, Lockwood Esq
