My dear Hilda

I shall welcome ~~with~~
you with much pleasure
either on Thursday or Friday -
but I sh^d like a post card
by Thursday morning to tell

what hour.

You will find me grown
very old & a little deaf -
& altogether become very

feeble, which is only natural
but glad to be remembered
by those I love. I have my
Cousin Mrs Woodhouse
stay here, & you will find
her still with me. I am not
sure whether you met her
here before.

It will be a great pleasure
to your parents to have you.
