My dear Spender,

I do not know whether
you have had a
notice in any of the
papers with which
you are connected
of Prof. Cairnes.

I think it is impor-
tant that the story
of so noble and
brave a life should
be as widely known
as possible. My
wife has written
in this week's
Examiner a sketch

of his ~~to~~ career
which I think
may interest you.
I never met a man
on whose political
judgment more
reliance could
be placed, and
he retained his

remarkable clearness
of intellect to within
a week of his
death.

Believe me
Yours very truly
Henry Drexler
