

re appointment of C.H.B. Brookfield as Co-Censor of plays
1911

~~Dec 5~~

Sir

at your request

I have read Mr. W. Archer's synopsis

of "Dear Old Charlie". I imagine

there can only be one opinion about
the play if the synopsis is a fair one.

It is simply degrading and
infamous: and to make the author
of such vile trash censor of plays
is an insult to the public and to
dramatists.

~~Yours faithfully~~
