Em. House. March 12.

My dear Mr Pike,

Philippa is looking forward
with the greatest pleasure
to join your little girl on
Monday next. Maria has
returned here with me, I
am glad to say, & we are
still keeping up our reading
about Rome although we

have put-off going there till
next-year in consequence
of Mr. Fawcett's candida-
ture for Hackney. I can
not leave him during
an election contest.

With our united kindest
regards yours sincerely
M. J. Fawcett.
