36, WIMPOLE STREET,
W.

25th. October, 1912.

Dear Madam,

I regret that I shall be unable to attend the meeting next Thursday, but I need hardly say that I wish it every success. It is essential that no efforts should be spared to expose the fallacy of Suffragist arguments, and to assist the public opinion of both sexes to realise the great evils, both social and political, which would result should the views of Suffragists ultimately find acceptance in Parliament.

Very faithfully yours,

Mrs. Metzler.
