Mrs Ramelson

Dear Miss Douie,

Just a note.

I have had an enquiry from an historian friend of mine as to a Mrs Harriet Law, who was English and apparently played some part in the International Working Men's Association (1868-73)

I personally have not come across her. Have you, by any chance?

Sorry to trouble you

Excuse haste. Went to

catch last post.

Warmest regards

Marian Ramelson
