Dear Miss Shackey.

I am very sorry  
that I ~~should~~ be unable  
to be as steward at the  
meeting tomorrow night. You  
will remember that I need  
my acceptance of the

expressed provisional - as I  
passed the weather, and I  
realize now that I could  
not, in this atmosphere, take

any part in any crowded  
meeting, without giving much  
trouble to others, by fainting  
so I feel it is best to

abstain, and leave the work  
to younger and stronger people.

Yours truly

Hilda Roth Christen
