April 12. 1912:

Dear Mr Simpson

Thank you very much indeed  
for the last excellent batch  
of photographs - and for  
D: Lobbs, which are enormous

ly improved.

I am really delighted with them -  
and do appreciate your kindness

very much.

I shall be glad to have all the  
negatives back at your con.

venience - and also to  
settle your account, if you

will allow me to do so at  
once.

You may have seen  
my engagement to Mr Temple

announced - and will realise

that I should like to finish

off all business at once,  
so as to start square again

I am sure you will wish  
me well.

Yours sincerely

Olive Mae Leeds
