Dear Philippa Strachey

I thank you very warmly for an letter rec^d yesterday. He was
a most dear friend & brother. In our big family he came next to me
& we were always close friends & comrades. I wish I could
I can say. He was up at Cambridge during all times that I &
my husband were there every October term & of course that only
draw us closer together. It is a joy to know how much he was
appreciated wherever he was known. Always yours affectionately
