My dear Miss Solomon,

I thank you very
heartily for your most
kind invitation for the
Franchise Club dinner
on Monday - 19th inst.

I am only in London for
a few days, chiefly for
retail, so something im-
portant might intervene.

I should, however, love to
be present and to meet
Sri Krishna Gupta

with you. Therefore, I keep
a ticket for me. I will
write from London, if anything
should occur to make it
impossible.

Kindest regards to your
mother.

Yours sincerely
C. D. Clark
