Dear Miss Shackey

I am returning the

London Graduate Banner

which you were kind to send

to the University Section on

June 18th.

I do not know if the
London Society would

considers the advisability of
giving this banner to the
London Graduate Union. On
any ~~such~~ occasion on which the
banner is likely to be used, it
seems probable that it will
be needed by the London Graduate
Union - but naturally this
is entirely a matter for y^r.

committee to decide.

Thanking you for the loan
of the banner,

I remain

yours very faithfully

Garrett Anderson
