Dear Madam.

Two months ago I gave a lecture at

the request of the Collegium on the
Religion

Spiritual Aspect of the Women's Movement
the need of

the subject I spoke on was women in the

in the ministry & called the lecture

"The Coming Order in the Church of God."

I lectured with some

speculation but as the whole subject
has come to me as a revelation with-
out fear. I was surprised at
the sympathetic hearing.

Jim Fairfield tells me there is to
be a Conference in London on the sub-
ject + suggests my writing to you.

If you could give me any in-
formation I would be grateful

Very truly yours
