Dearest May,

AL / 3172

How can I thank you for your more than kind letter.

I do value all your love & trust - so very deeply. As you

say these are wonderful & heroic times. The Russian

revolution, the coming in of America, the march

forward of freedom here and probably all over the

world are great events indeed. I have had delightful

tell us & messenger from my dear Sappapisti; and I wish you  
could see my banks of flowers. Agnes and I send

you many loving thanks for your Family & delightful presents

L-as. It is wonderful how you contrive to find charming  
things for us.

I saw Ellen yesterday. She is  
looking better, but is not yet fit to return home. I hope it

will be arranged to offer her 3 months more leave of  
absence & that after that she may be able to come back to the

Editorship of the C.C. With renewed thanks for all that  
you are very lovingly  
M. G. Fawcett
