AL 801

Mrs Thomas Hardy would like to  
have received an official receipt by  
post for a 10/- note to the Secy of the  
London Society of N. Suff: (Lady J. Balfour)

Instead of which she had an un-  
expected visit (2 minutes) from Miss  
Bertha Newcombe who asserted in  
a most ill-bred manner that Mr.  
Hardy had previously belonged to

AL/796 copy

the Militant Set - which she certainly  
did not, & would abhor to belong to -  
& had worn the wrong colours which  
probably inadvertently she had some  
very long time since.

Mrs. Hardy ~~the~~ wishes to know if this  
visit was made on behalf of the Society  
& she were sent by the Sec: or was  
an independent one - ?
