TELEGRAMS, KNEBORTH.

HOMWOOD,

KNEBORTH,

HERTS.

Friday Sep. 2. 1910.

Dear Mrs Hatman,

I was booked for the 2nd
of month for alternative dates.
Until I recd. a wire just
now deciding on Friday 9th Sep
I could not answer you about
other meetings in your present
neighbourhood. Now I shall
have to leave London Thurs: 8th
so cannot, I fear, stay on with

HOMERWOOD
KNEBORTH
HERTS.

You. I can do v. long
journeys & speak on the
same day.

Could you let me know
at once if your meeting
on Tues: 6th is for
afternoon or evening?

If afternoon I must come
down on Monday. If evening

I could manage to leave London
only this morning as I shall have
a busy day on Monday.

As for lodging (I have
unfortunately mislaid my letter
at this minute) it seems a
pity to to to the expense of
an hotel room: so long as I
just can raise hot water
in moderate quantities for

Washing & to fill my hot
bottles (which I bring) I don't care
how little "attendance" St. Men
is - & I should like to be
with you to hear of all your
Doings.

I leave here on Monday.
I shall put a post before leaving
but if any South address come
at 4 Clementi Inn that day.

Yours aff.
Conny Lytton.
