My dear Pippa

I am sending you  
by next mail the object I  
have got for him's wedding  
present. It is a copper bowl  
with silver ornamentations  
and my idea is to have it  
made into a lamp as per  
illustration enclosed. I can't  
get this done nicely here so  
I am sending it to you to  
see if it can be done in

\* And send me the bill

London - The burner part  
ought to be either copper  
or silver plated - copper I should  
think but leave details to

you \* Also if you think  
the idea too weird send  
it on as it is - You will  
find the three little dogs  
running about loose in the  
box and you will have to  
chain them up in their places.

(3 dog chains supplied to be

found in the bowl.)

I am going up to hoteliers  
tonight <sup>(Sat)</sup> and come back on  
Friday morning - I think it  
is rather a waste of leave  
as I might have <sup>spent the</sup> ~~gone up~~  
time in visiting my uncle  
Charles which would have  
been far more profitable  
but it is now too late.

Farewell she cried and  
waved her wooden leg.
