March 13. N. W.

Dear Mr. Christy. I can only
repeat that when I had a
mass of absolutely new & quite
original stuff you failed to
get me more than two or 3
lectures on the ground that it was
not of interest to the public. I on
the contrary got up a lecture my-
self & cleared £18 in Hampstead
— after you had said you could not
include me in the Hampstead lectures!

I lectured also at Cambridge, at
Sidcup, Itherton, the Anthropological
Institute, Russian Institute &c. &c.

~~I~~ I do not wish to bind myself
for next winter as I do not know
where I shall be. And if I have
any new stuff to lecture on I
can get up a lecture myself.

Sincerely
W. S. Durham
