

WOMEN'S CO-OPERATIVE GUILD.

66, ROSSLYN HILL, LONDON, N.W. (Five minutes' walk from Hampstead Tube Station).

General Secretary: MISS LLEWELYN DAVIES.

AL/2755

Dear Mrs Macdonald. I have been to see Miss
C. Black - & she tells me that she is
quite favourable to the hire of the symbols
& thinks this will get over the difficulty.
So I need do nothing further. They really
want to lend them, but feel bound by their
rule. I said I felt there were 2 ways of being
non-party - By abstaining from all - or doing the same for all!

Wrs M. Llew-Davies.
