HYDE PARK, W.

Dear Mrs Coburn,

I am very pleased to hear of the decision arrived at by the Executive Com^{ee}. The nation has a great opportunity now to rise to possess its great inheritance: & the sacrifices now readily made in the spirit of devotion & love will surmount that heritage for our children. The cost in suffering we will gladly give. This is the moment when we may find the joy of working as one united family: & all Suffragists will gladly
