My beloved friend,

I thank you very  
much for sending me  
your semi invitation, and, if  
it is at all possible, I will  
look in upon you for a short  
time at least. Alas! it is  
the day of our N.S.C. meeting  
and I may have to travel  
to Bradford that night.  
But I will see you if I can.

Yours affec<sup>ly</sup>

C. Despard
