

156 Sandylull Rd ^{Working Women's} ~~meeting~~
Blunstead
July 8th 1911
R2/2844

Dear Madam.
Under great difficulty and an expense I could not very well afford I attempted a meeting for working women, at Queens Hall, on June 2nd, on the promise that we would have our train & bus fare paid for attending same it is now over a month since, and expenses for this meeting

have not been sent, I am a woman, a working mans wife with six children and put forth a big effort to go to give my support along with the rest to fight for our vote.

Am I to understand that the ladies I came in contact with on that night were all humbugs & would try any back door to get out of paying their debts -

I trust it has been
a overlook and if
this is the case, I
will be pleased to
see every member there
have their $\frac{1}{4}$ = 0 handed
to them on Thursday at
our Guild or sent to
them individually

I am
Yours Truly
