Dear Philippa,

I have just been porting an acceptance from Agnes & myself
for your great reception on Tuesday next. So many thanks
for it. We look forward to sharing in your festival in
the afternoon not in the evening.

I wonder if you could kindly look in on me on your way to the
office either tomorrow or Saturday. I am perturbed about

a paragraph in the Times about 3 weeks ago referring to

Hilda Flinders Petrie.

Always yours affectionately
