Dear Miss Wilson

My journey home
was most comfortable
& I was not at all
unduly tired. I missed
the earlier train for
Liverpool St, but I walked
about & had some
tea & was refreshed

by the delay rather than
the reverse. Kind W³
Hall companions
me to the end of my
time in Sheffield.

Very much surprised
all of. Kind welcome
the knife & the break.
- fast, & above all
seeing so many medical

women doing well &
enjoying their useful
lives. With renewed
Thanks I am
Dear Dr. Wilson
Yours truly

E. Anderson
It rained the whole
day yesterday, & now
3 pm. it is again pouring.

after a brilliant

morning.
