My dear Mr. Fawcett

I thank you
for your letter
I do not know
how to express
my feelings about
the kindness &
pardon to exert in
my behalf - In

refer to the
many I was
born on Feb. 24th
24th 1827 - case
quently I was
58 last birthday
I have the
feeling that I
could do ten
years more

good work for
the franchise cause
if we do not
run sooner but
I believe the
a bill might
be passed next
session if it
were pushed
in earnest in
the House of

common and
supplied request
out well.

The replies to my
circular to candidates
are surprising out of
190 answers 160 are
decided in favour
13 decline to commit
themselves only 17 say
they are not in
favour

Yours very truly

Lytton Becke
