My dear Sir.

Another Sovereign has
dropped in for Mrs Dakin,
which I take the opportunity
of my brother's return to send
you, with my kind regards
to her. - I thank you for
your last kind letter, &
fully trust to your letting
me know if I can ever
be of service to Mrs Dakin,
of whose welfare I hope to
hear, from time to time.

Believe me truly your
Obliged & faithful J. Martineau
