My dear Miss Strachey

I was sorry  
you would mind

telling the meeting

to meet at Chelsea

how grieved I am

not to be there.

I had her old eggplant

in Cumberland soon

time this week.  
I wish the meeting  
all success & feel  
sure that this time  
next year we shall  
have votes!

Honah.

Yours love

J. Ford.

How sorry too I am

I had to refuse to speak in  
Tofofom by name. Oh  
these provincial  
meetings! how the  
country is awakening!
