5. August 1928.

10, Downing Street,
Whitehall.

My dear Dame Millicent,

I am horrified
to find that I never answered
your kind and generous letter
written a month ago! I
have a dreadful habit (the
despair of my excellent secretaries)
of putting letters that particularly
appeal to me in my pocket
with the intention of replying to
them myself. And I fear you
realise what the result is.

We have had our difficulties
with the Bill but I never
doubted we should get it through

in the simple and complete
form it ultimately assumed.

I hope and believe it will
be for the good of our beloved
country.

I am

Sincerely yours

Stanley Paeders.
