

AL 1915 NW 30
From Mrs. HENRY FAWCETT, 2, Gower Street, London, W.C.

My dear Miss Strickley

1920

I think you had better see what
I have written to Miss Massey
about Miss Dodge's splendid
cheque. Under the circumstances
my donation of £50 is gone into

the N.U. election found unmarked.

I think you will agree that this is
the best thing for me & I do with it.

I am looking forward to coming
up to you on Friday & Saturday.

I hope you are supplying W. Jacobs with
Harmon & that I hold up his arms,
Yours ever M.G.7
