Dear Mrs Horton.

I saw Miss Strachey  
last week & she thought "Fluence  
Nightingale and the position of women"  
would be a good subject for me  
on July 10th. I hope you agree.  
I imagine you would like me to  
speak for about 30 minutes &  
answer questions. Will you  
let me know if you would prefer

me to be shater or longer.

yours sincerely

Cecil Woodham-Smith
