Dear Miss Ingle

See Miss Ingle's notes

I am very pleased to have  
been at Queen's Hall. on the 2<sup>nd</sup>  
but sorry not to have been  
able to write for more tickets  
I asked quite 18 people to  
come & the tickets admitted  
two but several. rest would  
they could not come & on  
the Friday morning I spent 2  
hours of my time to try to

get them to go and, only  
I came. well those who  
stayed away lost a treat.

I think it was <sup>a</sup> splendid  
meeting & will do more

to bring the poor women  
to take more interest in  
life. now they can see  
those who have more of  
this world's goods are  
sympathetic, and want to  
help them up. & will help  
them to have equal rights  
even though they have no

property ~~etc~~

May I ask for 3 fares to be  
refunded? if is 6 each

3 pence each way 1/6 together

I hope to join in the march  
if possible & hope it will  
be success!

yours in the cause
