Working Women Meeting

3, LINCOLNS INN FIELDS,  
LONDON, W.C.

A2/2801

10th May, 1911.

Dear Miss Bampas,

I enclose a list of our branches up to date from whom you may get some help. I am afraid I cannot undertake any work in connection with the meeting myself. I do not know whether you will get much response from our branches, as Mrs Fawcett and Lady Frances Balfour (though I have great respect for both of them) would hardly appeal to the women of the Labour Party as very thrilling speakers.

Believe me,

With kindest regards,

Yours very sincerely,

*H. MacDonald*

The Mission consider  
W. S. too political &  
won't do anything,  
but I have got an escort  
to go if I can get to  
independently & I think  
there's a small chance  
of sending a few to  
the meeting on June 2<sup>nd</sup> -  
I'll write the same to  
Miss O'Malley. I'm  
sorry I've been so slow,  
but so many people  
had to be asked.
