Dear Edith

Miss V. Adey, Greenwood,

Bishops Waltham has

given me the enclosed for

what she calls "Miss

Smily Davies' fund". 1.2.

the special fund for

election & organizing

work.

I saw Miss E.

Davies this afternoon

2 she asked me to send
on the cheque
to you. It was stupid
of me not to get
Miss Davies to endorse
it before I sent it, but
I forgot to do so. She
will however be at
the office on Wednesday,
and you can get her
to do it then. In the
meantime will you send
the formal receipt to
Miss V. Adley.

I was shocked to hear
from Miss Davies this
afternoon that you had
not told her that the
Executive Committee on the
20th Dec decided to ask
her to serve on the
Finance Committee. I
think she will consent to do
so; but is of course
waiting to hear from you.

Always yours
Edith Dimock
