My dear Daisy

I am coming to Gerards' Cross on Monday
3rd or 4th so shall not be seeing you
until you return from your delightful trip. So glad
you are going, dear. I am going to stay with
Wm & Fred Holiday in her delightful house there
at any rate for a time. She wrote so very
kindly asking me & I shall have to write.

any need of London. I am much better
but not up to much yet. Physically or
mentally but no need to be any longer in a
nursing home. Jubilee is going to rooms in
a little while w X Church & near friends.
My love to you & your dear mother from myself &
Juz.

Yours affectly
