.....June 4th. 1908.

Dear Mrs Badley,

I want to tell you how very much your letter has touched and pleased me. I have always recognised that your whole heart and sympathy has been put into this great Cause and we have no more devoted soldier in the ranks than yourself. I quite understand everything and I know that whatever is yours to give, of sympathy, service and practical help, is given with that gladness which we all feel in giving. My little Article "Thanks for all" in this week's "Votes for Women" expresses what you and I and all the other workers in this Union feel.

The Hyde Park Secretary has dealt with your request for a Poster; I am so glad you are going to have one put up in Petersfield. You will be in the Trafalgar Square Procession. I am sending special bills relating to this Procession. I hope we shall have a large contingent from Petersfield.

Thank you so much for your Standard. It will be in the Trafalgar Square Procession and I hope you and Jack or some of

your Petersfield friends will help to carry it.

I am delighted to receive Col. Hanna's letter; it should do a very great deal of good.

Yours affectionately,

G. Peckinham Lawrence
