My dear Miss Atkinson,

I have written 2 hiccoughs to
say that I do strongly object to
that little raglet. It looks
like a N. U. publication
& is full of nothing, but flattery
of myself. I could never

allow it & I have written
L- more can be about it offering to
repay my cost involved in its
withdrawal if they have printed
it. What extraordinary things
people think are capable of.
The photograph is a facer in
another direction!

Yours sincerely,

M G Fawcett
