31.7.55.

Dear Mr. Horton,

Thank you very much for your letter of July 21st conveying to me the generous good wishes of the Executive Committee on my recent arrival and also on my appointment as Chairman of the Working Party on Social Workers in the Health & Welfare Services.

I am most grateful for these good wishes and I hope you will tell the Executive Committee how much I appreciated

then.

With kind regards.

Yours sincerely,

Eliza Younghusband.
