Dear W^m. Wilkie Jones

I exceedingly regret
that a previous & important engage-
ment will prevent my coming
to your Drawing room Meeting on
Saturday the 18th inst. Especially
as W^m. Stanbury is going to speak
on "Woman Suffrage" which is of most
vital importance to the cause of
"Women" now that so many women
have to get their own living.

I hope to come to the meeting next
Thursday 30th & if you can send
me 30 to 50 cards I will give them
to those I know will like to come. -

Believe me. Very sincerely yours

Emma Couss.
