My dear Pippa

Here I am back again after a lovely time at Darjeeling. But not for long. The exciting news of this week is that F. Wright is going home for 6 months so Devon is going to Jamalpur where Wright was, and I am going to take over Devon's

division and I am going at
once to Madhupur. This is
exciting because I shall be
on my own hook and let us
pray that the E.I.R. is not
ruined in consequence. Please
direct letters to Madhupur (E.I.R.)
Please excuse brevity on acc-
ount of pressure of business.
Have particulars by next mail.

Goodbye your
loving bro.
