Dear Mrs. Richardson,

I was at
the Queens Hall Meeting and
heard you speak, and what
you said appealed to me
strongly, and especially so
when I thought you were
a real working woman.
I heard that you have
visited the ~~Kensish~~ Town
Womens Adult School, and
I wondered if ~~you~~ could
spare time to come to our
School. We meet at

341 Kentish Town Rd.

over a confectioners at 80's
on Monday evenings.

Could you come July 3rd.
for a half-hour's talk
on Suffrage. I am sorry
we cannot give you more
time, but we have a
Bible lesson afterwards.

We shall be very pleased
to welcome you, if you
can manage it. We are
about 20 or 24 women.

With best wishes for the
procession on Saturday,

I am
Yours sincerely

Grace Jackson
