dear Miss Wain

Thank you ever so much for your  
kind letter. I shall be awfully glad  
if you could come & see me on Sunday  
morning the 22<sup>nd</sup> about 11. If  
that will suit you. I can very well wait.  
I've done some of the article & I have  
plenty of time. I don't think I'll  
go & see Mr Schreiner when I've seen  
you.

Thank you, indeed. I look  
forward to seeing you very much.

Yours sincerely

Beatrice Harraden
